BASKETBALL
PRE-SEASON

Play Hard. Don't Blink. Protective Eyewear Program
PARTICIPANT COACHES QUESTIONNAIRE

In exchange for the protective equipment, your league has agreed to mandate the use of the protective goggles. In addition, each participating team coach will need to complete this pre-season evaluation as well one post-season.

These evaluations provide us with very important information to monitor the success of our program so please return them promptly to your league administrator.

Team Name:

Coach Name:

County:

Number of Children on Team:

Team Composition: Male Female Both

Ages of Children on Team: 5-7 8-10 10-12 12+

Has a child you've coached ever suffered an eye/facial injury during a game? yes no
(from a minor injury, to those requiring medical attention)

Will you be mandating the use of the children's protective eyewear while they are playing? yes no

Before learning about the Play Hard. Don't Blink. Program, were you aware of the types of sports protective eyewear that is available? yes no

Do you consider using the protective eyewear to be a good idea? yes no
Why do you feel this way?

- Protects vision
Helps performance/Not having to worry about being hit
Interferes with performance/Design of equipment
This type of protection not needed

Do you believe that your players will like using the protective eyewear? yes no
Why do you think that they will feel this way?

- Protects vision/Smart thing to do
Helps their performance/not having to worry about being hit
Interferes with their performance/Design of equipment
Role models wear protective eyewear/"Cool" thing to do
Role models don't wear protective eyewear/Not a "cool" thing to do

Please rate how difficult you think it will be to get your team to wear the protective helmets?

- Not difficult at all
Somewhat difficult
Extremely difficult
